THE LIBERAL CATHOLIC CHURCH

The Liberal Catholic Church is neither Roman Catholic nor Protestant—but Catholic (Universal).

It welcomes to Holy Communion all who reverently and sincerely approach the altar. The Church leaves its members absolutely free in matters of belief.

Its chief act of worship is the Holy Eucharist—the one service instituted according to the gospel narrative, by The Lord Christ Himself. All are welcome to the services.

The Liberal Catholic Church believes that man should seek God with intellect as well as with faith and devotion, therefore it offers an intelligent and scientific explanation of the Sacraments and their uses as an aid to man from the cradle to the grave.

Those who wish to spend a few moments in quiet, in rest or in prayer are invited to use this Church which is always open.
